

Making your Options choices

You will make your options choices via the Bromcom student portal. As a reminder here is the link:

<https://vle.bromcomcloud.com>

STEP 1: Once you have logged in (see Bromcom Student Portal guide) you will be presented with your dashboard.

On the dashboard you will see the Options widget. This will give you the name of the options group you have been assigned and the timeframe you must complete your choices in.

 Options More		
Name	Timeframe	Status
GCSE Options 2026 Main	09/01/2026 - 23/02/2026	New

Click on the pathway that is presented – this will be the blue text under name – in this example it is ‘GCSE Options 2026 Main’, but yours may say something else.

This will redirect you to a new page.

STEP 2: Here it will confirm your name, and tutor group. You will then have to make your first choice.

GCSE Options 2026 Main

Name: **Tutor group:**

Common rules: Please select your subject choices

Humanities and Languages

Select 1 subjects from Group Humanities and Languages • Select exact 1 reserve subjects from Group Humanities and Languages

Choice 1

Reserve 1

Select Item

Select Item

There will also be explanatory text containing the rules that you must follow when making your selection. If you do not follow these rules, it will not allow you to save your options choices.

Save for later Next →

HIGHDOWN SCHOOL AND SIXTH FORM CENTRE

Aspiration. Respect. Excellence

Use the subject drop down options to select your Choices for this section, and then select your reserve subject(s).

TOP TIP: check carefully that you are making your first-choice subjects in the choices box as the reserve subjects will always appear at the end of your main choices. The same ranking priority list exists for reserves as well, with reserve 1 being the first subject checked if you cannot have your first choices.

Choice 1 Select Item ▼	Choice 2 Select Item ▼
Choice 3 Select Item ▼	Reserve 1 Select Item ▼
Reserve 2 Select Item ▼	

Once you are happy click the blue **Next** button.

IMPORTANT:

- You cannot choose a subject as a reserve and a choice. Reserve choices must be different to your actual choices.
- Choices will appear in rank order (1-3) – the position you put a choice (whether you put it as Choice 1, Choice 2 or Choice 3) determines the priority you have assigned to it. You need to assign your choices to the appropriate rank order in terms of priority as 'Choice 1' subjects will be given the highest priority when it comes to guaranteeing your choices.

STEP 3: Follow through to complete all your selections. On the final step you will get a chance to check the subjects you have selected before submitting. **The form can only be submitted once.** You can Save for later if you want more time to think about your selections and you can come back to the form at another time.

Your choices will not be submitted until you select the blue **Submit** icon on the final page.

You must submit your choices by Monday the 23rd February 2026.

If you submit your form and wish to make alterations, or have any questions about this process, please contact Mr Franks.
