

SEND YOUTH PARTICIPATION GROUP

We are inviting young people with special needs and/or disabilities to become part of a youth participation group to give you opportunities to give feedback and opinions on services provided for you.

Who can take part? Young people with special needs/disabilities, aged 11-17, living in the Reading Borough area. We also welcome siblings of SEND young people to give their perspective.

For further information, contact 07391 937572

Do you have experience or the passion to work with young people with SEND? Could you spare a few hours of your time? Would you like to volunteer to facilitate this group or other such projects? Please consider volunteering with RFF, contact us for further information.
