

HIGHDOWN SCHOOL & SIXTH FORM CENTRE

GCSE PRESS RELEASE STATEMENT 2022

Congratulations Highdowners!

Highdowners are celebrating with their families and teachers today with a great set of results. So much has been talked about how these grades will come out. We know that our students worked incredibly hard and have done brilliantly. These results will take students mostly to our 6th form, with others going to college courses or apprenticeships and employment.

78% of all grades at pass 4 level or above. 'Old A grade' and above (7-9) are 32% of the grades.

Grades 7-9 - 31.8%

Grades 6-9 – 49.6%

Grades 5-9 – 65%

Grades 4-9 – 77.5%

Grades 1-9 – 98%

These results are better than those achieved in 2019 so represent the hard work of students and their teachers amidst the hardest of circumstances for education. We are incredibly proud of them.
