

ADHD Conference 2016

Thursday 30th June 2016 - 9:30am - 5:00pm (inc after school session)

The Pavilion, 143-145 Oxford Road, Reading, Berkshire, RG1 7UY

This event is aimed at education and health professionals, parents/carers and ADHD children and adults. Some of our speakers are themselves ADHD, so have insider knowledge of the strengths and challenges experienced by individuals growing up with ADHD.

Programme:

Morning (09:30am - 12:00pm):

- *Growing up with ADHD - Kevin Roberts*
- *ADHD and Girls - Dr Paul Hutchins / ADHD and Co-morbidity - Dr Tauseef Mehdi*

Networking lunch included for all delegates. Opportunity to experience "In my shoes" virtual reality and video of a play on ADHD in girls

Afternoon (12:45pm - 3:00pm):

- *The health and well-being burden for families of children and young people with ADHD - Dr David Daley*
- *Supporting children & young people with ADHD in education - Andy Bloor / Working with children and young people with ADHD in youth groups and other settings - Kevin Roberts*
- *Optional Q & A with expert panel (3:00pm - 3:30pm)*

After School (Parallel Sessions - 4:00pm - 5:00pm):

- *Growing up with ADHD (Discussion Group for young people with ADHD)*
- *Supporting children and young people with ADHD in the classroom - Andy Bloor*

Speakers:

Kevin Roberts

Kevin Roberts holds an M.A. in ADHD studies, and is the co-founder of ADDISS. He is the author of a number of books on ADHD.

Dr Paul Hutchins

Paul Hutchins is the Senior Paediatrician to the Child Development Unit at Children's Hospital at Westmead Sydney Australia.

Dr Tauseef Mehdi

Tauseef Mehdi is a Consultant Child and Adolescent Psychiatrist with Berkshire CAMHS.

Dr David Daley

David Daley is a Professor of Psychological Intervention and Behaviour Change in the Faculty of Medicine and Health Sciences at the University of Nottingham.

Andy Bloor

Andy Bloor is a Senior Lecturer in Primary Education (SEN Inclusivity & Diversity) and the Primary Lead in SEN at Canterbury Christchurch University.
