HOME LEARNING TIMETABLE 2023-24: YEAR 7

\$

Students who are successful are those 'who have highly developed independent learning skills, have the capacity to lead the learning process through their questions and ideas and, crucially, are resilient and resourceful' in their learning. [@HeadGuruTeacher]

Home learning is an integral part of a student's learning and is used for: (1) promoting independent learning and time management skills, (2) consolidation, reinforcement and application of learning, (3) extending and developing learning, (4) developing research and investigative skills, (5) facilitating teacher assessment of understanding and learning, and/or (6) preparing for the following lesson, e.g. 'flipped learning'.

Year 7 can expect a minimum of 30 minutes per subject.

All home learning activities will be set on ClassCharts, which is accessible via any web-enabled device in or out of school.

Notes: Students are expected to read for pleasure for at least one hour per week, this can be fiction or non-fiction and will support their language development which will contribute to success in all subjects. Home learning days for Languages and ICT may change from Term 3 following Languages options in Term 2. Each student will be placed in either band P, Q or R for these subjects from January. Maths - All Maths home learning will be set through Sparx Maths on Wednesday and will be due the following Wednesday.

Mr Reid Deputy Headteacher

September 2023
