Problems with Class Charts

If you are experiencing issues with accessing your Class Charts account, please contact **vihamer@highdown.reading.sch.uk**

Absence Reporting

Please notify us if your son/daughter is unable to attend either online or onsite lessons due to illness or other reason.

Please report all absences using the Class Charts app rather than by telephone, email or ParentMail. We hope parents will find this route much more straightforward and efficient. You can find out more here:

<https://www.highdown.reading.sch.uk/attachments/download.asp?file=1803&type=pdf>.

ParentMail Accounts

We respectfully request all parents and carers regularly check their student's dinner money balances to ensure they are in credit.

At peak times, around mid-morning, it can take up to 2 hours for the monies to show on the account.

Therefore, if you need to top them up, please allow time for these to be processed, we have found topping up in the evenings to be the quickest way to add monies to the account.

Leave of Absence

Applications for leave of absence during term time **must** be made in advance by the parent/carers. Leave will only be authorised in exceptional circumstances and parents will be made aware that taking unauthorised leave of absence could lead to a Fixed Penalty Notice and/or prosecution.

Holiday will not be authorised in term time. Application for Leave of Absence forms can be found here:

<https://www.highdown.reading.sch.uk/absence>.

Please complete and return to the school office.

Safeguarding: National Online Safety Courses for Parents and Carers

We would like to encourage parents/carers to complete one of the following parent courses in National Online Safety, presented by Myleene Klass:

The course takes about 40 minutes and leads you on a journey through a child's digital habits, exploring the type of online world they are experiencing now, what risks they might be exposed to, and looks at what you can do to support them.

Year 11 Sporting Success

Highdown vs The Wren School (3-0) in the semi-finals

In a heated battle, with the sun shining, refereed by Mr Gordan, Highdown dominated from the get-go. The first goal came about 10mins in with a long ball from Toby to Jay, who poked it past the keeper. Highdown scored 2 in the first half with a beautiful goal from Jay from a free kick. Half-time and on came Aghi and Matei. Defensively a solid performance in the second half, we kept a clean sheet with Lucas scoring the sealing goal. Overall, a perfect performance by the Year 11 boys, through to the final next week. Well done to the team!

Canoeing Success : Devizes to Westminster Race

Over the Easter weekend, Max Prins-Mills won what we are calling the DW Lite 2023 - a canoe race over 55 miles from Devizes to Dreadnought Reach (aka Wokingham Waterside Centre). The race was held over two days and had 59 portages around locks.

The race is usually all the way to Westminster over four days, for which Max had been training all winter, but the second part of the race had to be cancelled because the river Thames was simply flowing too fast and the risk was considered too great for many of the junior paddlers. Very frustrating for us all, but there's always next year.

As part of the race preparation, Max and his K2 partner Aidan took part in and won the Waterside series of four races! Well done Max and Aidan!

A Level Music Recital Evening

On Thursday, 30 March it was lovely to watch our A level musicians perform at the A level Recital Evening. It is always one of the highlights of the Music Department calendar as we celebrate the achievements of our Year 12 and 13 students. For our Year 12s it is a good rehearsal to prepare for their own recitals next year; for the Year 13s it is their final concert and an opportunity to shine as individual musicians.

We were entertained by a diverse variety of repertoire from Vivaldi, Chopin and Prokofiev to Mississippi John Hurt. Tamsin and her violin teacher opened the concert with a dazzling rendition of the Bach Concerto in D minor for Two Violins accompanied by Hayley. This was followed by Lexi who beautifully played Chopin's Waltz in Eb Major. Annika delighted the audience with a programme of pieces which ranged from Vivaldi to the more modern Robot's March by Jacob; it was lovely to hear the cello in a solo role. Raven sang the beautifully lyrical, 'There's a Fine, Fine Line' from Avenue Q; what a great teaser for next year's recital. Jakub ended the concert in style with performances on both the piano and acoustic guitar.

We are very proud of all our A level musicians. We are very much looking forward to hearing more from our Year 12s in the coming months and we wish the Year 13s much luck and success as they prepare for their forthcoming examinations and a life beyond Highdown.
