The weekly newsletter of Highdown School and Sixth Form Centre

w/c 4 December 2023 Week A

Happy 1st December!

It's certainly feeling a little festive at Highdown with our crisp and glistening grounds shining in the moonlight, the Christmas tree lighting up the main reception area, Christmas Jumper Day, and our annual Christmas Concert coming up next week! We hope families can join us at the Christmas concert to enjoy a wonderful evening of music. Tickets are available on the door.

We also had our inaugural Student Christmas Fair this afternoon, which was an absolutely lovely way to end the week. Thank you to our PTA for their support with this event and to our fantastic student leaders for their organisation. Our students had prepared a wide range of goodies for sale – thank you to all involved.

Congratulations to our Year 11 Rugby squad for their tremendous efforts against The Oratory School earlier this week. It was a close game, but unfortunately, we got pipped to the post. Our students were fantastic ambassadors for our school.

Have a great weekend everyone!

The Health Bus

NHS Berkshire Healthcare have launched their very first [Health Bus](#) to bring their services direct to our community.

The bus will be at Tesco Portman Road on Friday 15 December from 9.30-11.30am. Parents need to complete a form to be able to access this clinic and it is appointment only. If you are having any difficulties, please contact:

westschoolimms@berkshire.nhs.uk.

ParentMail Accounts

We respectfully request all parents and carers regularly check their student's dinner money balances to ensure they are in credit.

At peak times, around mid-morning, it can take up to 2 hours for the monies to show on the account.

Therefore, if you need to top them up, please allow time for these to be processed. We have found topping up in the evenings to be the quickest way to add monies to the account.

Year 8 University of Reading Trip

Twelve Year 8 students enjoyed a day at the University of Reading learning about the fun and interesting opportunities further education can provide. We enjoyed the "Chemistry of Chocolate", campus tours, a jousting competition (won by Alana O R) and a well received 'all-you-can-eat' lunch buffet.

Thank you to the students for being such great Highdown representatives and Mrs Rackley for accompanying us to the campus.

Top tips for helping your child succeed in their learning

As the winter PPE season has now started and exams are closer than you'd care to think, you may be wondering what you can do to help your child succeed.

Last week's newsletter had links to advice and guidance about the benefits of retrieval practice and how quick low stake quizzes can help retain information for longer and even transfer information to the long-term memory.

This week I'd like to share the benefits of **knowing what NOT to do**.

In students' bid to find out what works best to maximise their learning and performance, it is also important to minimise the strategies that don't. These are the banana skins of learning, short term strategies that appear useful, but they are not. By becoming aware of the common mistakes children make, they can learn more efficiently and effectively, which means both less stress and better grades. We all want the best for our young people – so let's work together and be explicit about possible mistakes they could make without realising it.

Further information if you would like it is here: https://blog.innerdrive.co.uk/10-common-student-mistakes?utm_campaign=Student%20Workshops&utm_content=272345168&utm_medium=social&utm_source=twitter&hss_channel=tw-85885295

Highdown Rugby 2023 Update

A BIG Thank You to PE Staff (A Gordon, A Patten, S Thompson) for giving up considerable time in running numerous Pre-School, Lunchtime and Post School Training Sessions.

2023 Results

U12 Mr S Thompson Played 7 Won 0 Drew 0 Lost 7 Points for 36 Points against 87

Used 45 players **Most Valuable Player:** Fletcher Jenkins, **Most Improved Player:** Jasper Gilchrist, **Team Player:** Benjamin Girdler.

The youngest team in the school played the most games and towards the end of the season began to show considerable potential as a more settled team emerged. We have every confidence that next year will see them progress as a team that plays with enthusiasm and eventually will develop into a good rugby team with continued application and focussed effort.

U13 Mr A Patten Played 5 Won 5 Drew 0 Lost 0 Points for 47 Points against 18

Promoted from Division 2 to Division 1. Won Wallingford 7's. **Most Valuable Player:** Lewis Bridge

Most Improved Player: Munahid Mohamed, **Team Player:** Xav Carter.

A group full of characters who were unfortunate not to have the opportunity to play the premier division, as last year, because they did not play all their allocated league games. The team that trained with greatest regularity in the morning sessions and embraced the concepts of principles of play and functional playing roles. The team was rarely threatened on the field of play and won promotion with ease and will become a top performing team next year.

U14 Dr T Browne Played 6 Won 6 Drew 0 Lost 0 Points for 88 Points against 18

Finalist Beat Bohunt 15-12, Lost to Forest 12-15 in Final Runners Up. **Development players:** Samuel Franklin, Ethan James. Wallingford 7's Runners Up (2nd) **Most Valuable Player:** Bailey Lamden, **Most Improved Player:** Harry Davies, **Team Player:** Euan Boarder.

The most eager group of players on the Highdown programme, however the lack of finishing cost the group dearly. Nevertheless, the team continued to train with purpose and enthusiasm. They improved their understanding of sequential action and consequence, cause and effect and risk taking. A enthusiastic group who will develop and enjoy playing a particular brand of rugby next year as they develop as tactical decision makers.

U15 Mr A Gordon Played 7 Won 5 Drew 0 Lost 2 Points for 54 Points against 34

Finalist 3rd Position **Most Valuable Player:** Max Negro-Halpin, **Most Improved Player:** Charlie Baker, **Team Player:** Luke Vickery.

Candidates for Team of the Year given the improvement and journey the team have been on. Last year they did not play but encouraged by Mr A Gordon this merry band grew amazingly and developed into dominant play at "home/pick and drive team". A no-nonsense direct style of play saw them gain a place in the finals and we are confident about next year.

U16 Dr T Browne Played 11 Won 10 Drew 0 Lost 1 Points for 138 Points against 32

"Threepeat" Played 31 Won 30 Drew 0 Lost 1

Champions Semi Finals beat The Willink School 7-21 Finals beat St Crispin School 0-12. **Development Players,** Ben Bridge, Julius Hormigo, Marlowe Rundle. Wallingford 7's Runners Up (2nd) **Most Valuable Player:** Marlowe Rundle, **Most Improved Player:** Zain MacDonald, **Team Player:** Ollie Dew.

The U16 group successfully managed a "threepeat" winning the Reading Title three years in a row playing a muscular brand of rugby. Adopting a direct team pattern and profile, dominating opponents with the simple application of applying pressure and go forward. The group's positive culture meant that the team played in the Berkshire Cup with a quarter final appearance against The Oratory School (Away), during which the team experienced a high exposure to rugby at another level, eventually going down 24-29.

Next year it is hoped to extend the season by playing teams outside the Reading League; look to playing at more tournaments and investigate the possibility of tour games. Pre-season skills and positional clinics will also feature in next year's programme. Note: **New playing strip photographs** for all squad members will be arranged within the next few weeks with playing record and all team squad names recorded. **Winter Training:** Fitness training Tuesday and skills training on Thursday before school. **THANKS** to the many parents for continually supporting the different games and tournaments and arranging transport to games and training throughout the year. Thanks also to the coaching staff of teachers who have demonstrated commitment above and beyond expectation and this is reflected in the success experienced by all teams.

Snow is falling and books are calling ...

these books are available to borrow from the Hive

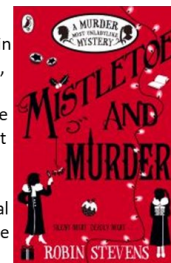

Father Christmas and Me – Matt Haig

It isn't always easy, growing up as a human in Elfhelm, even if your adoptive parents are the newly married Father Christmas and Mary Christmas. For one thing, Elf School can be annoying when you have to sing Christmas songs everyday - even in July - and when you fail all your toy-making tests. Also it can get very, very cold. But when the jealous Easter Bunny and his rabbit army launch an attack to stop Christmas, it's up to Amelia, her new family and the elves to keep Christmas alive. Before it's too late ...

Mistletoe and Murder – Robin Stevens

Daisy Wells and Hazel Wong are spending the Christmas hols in snowy Cambridge. Hazel has high hopes of its beautiful spires, cosy libraries, and inviting tea-rooms - but there is danger lurking in the dark stairwells of ancient Maudlin College. Three nights before Christmas, there is a terrible accident. At least, it appears to be an accident - until the Detective Society look a little closer, and realise a murder has taken place. Faced with several irritating grown-ups and fierce competition from a rival agency, they must use all their cunning and courage to find the killer (in time for Christmas Day, of course).

Graphic Novel

Avalanche Freestyle – Celia Rees

Rich kid Tony Jay is a shoe-in to win the Silver Falls snowboarding tournament, but his biggest rival, Jack Hewlitt, can't afford to enter. Tony may be spoiled, but he knows that victory means nothing if you don't beat the best. So, he agrees to hold a one-on-one freestyle run with Jack on top of the Silver Falls Mountains. But just when things start to heat up, a massive avalanche threatens to put both boys on ice, turning their friendly competition into a race for their lives.

6th form read

Light on Snow – Anita Shreve

What makes a family? That's what twelve-year-old Nicky Dillon wonders after she and her widowed father discover a wailing abandoned baby in the snow-filled woods near their New Hampshire home. Through the days that follow, the Dillons and an unexpected visitor who soon turns up at their door - a young woman evidently haunted by her own terrible choices - face a thicket of decisions, each seeming to carry equal possibilities of heartbreak and redemption.

Winter, White and Wicked – Shannon Dittmore

Mad Max: Fury Road meets Frozen in this striking YA fantasy about a rig driver's journey to save her friend Twice-orphaned Sylvi has chipped out a niche for herself on Layce, an island cursed by eternal winter. Alone in her truck, she takes comfort in two things: the solitude of the roads and the favor of Winter, an icy spirit who has protected her since she was a child. Sylvi likes the road, where no one asks who her parents were or what she thinks of the rebels in the north. But when her best friend, Lenore, runs off with the rebels, Sylvi must make a haul too late in the season for a smuggler she wouldn't normally work with, the infamous Mars Dresden.

The Edge Chronicles 2: The Winter Knights – Paul Stevens & Chris Riddell

Quint Verginix has enrolled as a squire in the Knight's Academy. After his training, he will be able to pilot stormchaser sky-ships into the heart of Great Storms, and retrieve the solidified lightning - stormphrax - to weigh down the floating rock on which Sanctaphrax is built. But as a freezing winter takes hold, and the city strains to break free of its tether, ancient feuds threaten to tear its people apart. On his own, Quint can do nothing to help avert the impending doom. But with the help of a band of loyal friends he might just be able to avert disaster.

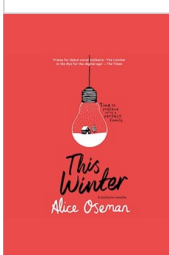

eBook

This Winter – Alice Oseman

A short novella based on the beloved characters from Alice Oseman's acclaimed debut novel Solitaire and graphic novel series Heartstopper – now a major Netflix series. From the author of the 2021 YA Book Prize winning Loveless. The festive season isn't always happy for Tori Spring and her brother Charlie. And this year's going to be harder than most. I used to think that difficult was better than boring, but I know better now... I'm not going to think about the past few months, about Charlie and me, and all of the sad. I'm going to block it all out. Just for today. "Happy Christmas," I say.

A terrible danger is looming on the horizon, and Faolan is the only one who knows how to fight it. Will he be able to claim his rightful place as leader and lead his clan in battle? Unless Faolan can inspire the pack to stand together, it could be the end of the wolves of the beyond.

Numeracy Puzzle

Try this numeracy problem at home, if you think you have an answer, submit it to us using the given link or QR code!

At the moment we have had great responses from Team Leung and Team Miranda

The answer to the last problem was that you will end up getting to the gate faster if you tie your shoe on the travelator rather than off it.

<https://forms.office.com/e/jX1H1N3pii>

You are trapped in a room with a friend in the room next door.

You are told you can only go free if you complete this challenge.

You are given a coin each. You will both be told to flip the coin in your rooms. After the flip, you must guess what side the OTHER person's coin landed on.

You have to do this 10 times, and at least one of you must be correct every time. You are given some time to discuss a plan first... what should your plan be?
