Welcome

Welcome to this weeks Sporting Spotlight.

Last week was one of our busiest weeks of fixtures to date, with 9 different teams and over 100 students representing Highdown in a variety of different sporting fixtures, which was fantastic to see. Remember, it is never too late to get involved and join in with extra-curricular clubs. Just come down to the changing room when the club you wish to attend is running, get changed, and join in. As always it is great to hear of students success outside of school. We know so many of you put in many hours of training around your school work and it always great to be able to celebrate your success with the whole Highdown community.
