### Supporting with Revision

Revision is vital for all students but it can lead to a great deal of stress and anxiety. We've included some tips below for parents:

- Encourage your child to start revising early. This will be beneficial for the mock exams.
- Ask your child if you can help them, check their knowledge, chatting over dinner, use flash-cards to quiz them etc.
- Encourage them to attend revision sessions and complete homework.
- Ensure they have breaks, eat well and get good work/life balance.
- Weekly revision resources are put on SMHW along with revision guides.
- Revision sessions lunchtimes on Monday and Thursday in H13.
