tickets

Great news for students and parents as we have simplified our tickets and passes for our school services!

We have merged our "Silverstars" and "Silverstars Plus" tickets for school services into our normal "**Boost**" fares for young people within the relevant ticket zone. This creates a product range that works better for young people, removing the confusion caused by the current range of tickets and allowing the flexibility to use our wider network when desired without any extra cost.

The right zone, the right ticket

Your school bus tickets and fares are designed to reflect which fare zones you travel in. If your school is in the **simplyReading** zone (and you are travelling exclusively within this zone) then you will need to buy the **simplyReading** products and tickets; if your journey starts, or ends, in the **simplyNetwork** zone, then you will need to buy a **simplyNetwork** ticket. Within each zone, it's easy to choose the best ticket for your needs – as we have fares for a single journey all the way up to our new annual ticket.

The best prices are available on a **smartcard** by buying either our **term passes** (1 September to 31 December, 1 January to Easter Sunday, and Easter Monday to 31 July), or our new **annual ticket**, which is valid for 365 days from the moment you receive it, and is also available by direct debit* in 10 instalments, making it even more affordable.

Buy your smartcards at reading-buses.co.uk/shop. You can also buy your tickets at the **Reading bus shop** in the Broad Street Mall, Reading, on our **mobile app** or even pay by **contactless** on the bus for tickets available from the driver.

The table below shows you which tickets and passes you can buy and where they are available. Longer term tickets are not available on bus, but can be bought online or on our mobile app.
