

CURRENT YR 8, 9, & 10

Trip to Tanzania

Thank you to all those who came to the Information Evening this week. We are over the moon to see so many keen and excited students.

As we have had a number of requests for the Power Point with the itinerary to be sent out we have put together a document for you to read at your own leisure.

For those students who are 100% wanting to be a part of the trip, please could you fill out the below slip and return it to Miss Probert by **Monday 3rd June** or email you or confirmation to femaclachlan@highdown.reading.sch.uk
