

# Immersive Career Experiences for ages 15-18

We are delighted to announce the launch of our autumn term career experience programmes, which are available for booking now.

**On our programmes, industry professionals take ambitious young minds on an immersive journey through some of the most sought-after careers in the world: investment banking, law, medicine, engineering and many more. This term's programmes will take place at UCL, King's College London and the University of Manchester.**
