

Higher and Degree Vacancy Listing for 2020 Recruitment, updated September 2019

This **higher and degree apprenticeship listing** showcases over a thousand **vacancies** from various employers starting **autumn 2020**. The best news is that if your child is still considering the options, they can apply for these apprenticeships and a full time place at university at the same time.

Higher and degree apprenticeships are widening access to the professions, and across all sectors, including STEM (Science, Technology, Engineering, Manufacturing). They are bringing together the very best of higher and vocational education. Degree apprenticeships give students the opportunity to attain a degree or professional qualification from some of the best universities and providers, whilst training in a top flight career. The training is paid for by the employer and the government, so there is no cost to you. Apprentices will also be earning a salary from day one.
