

Languages competition

The Languages department is setting you a challenge!

1. Research famous landmarks/
buildings/monuments from the country of the
language you study.
2. Choose your favourite!
3. Create a 3D model of the monument – be
creative!
4. Alongside your model, create a fact file about
the monument with some fun facts about it!

Every student who enters will be awarded a P2, with the most
creative entries receiving a P3!

Email a picture of your model and fact file to Miss Hurst
(hlhu@highdown.reading.sch.uk) by Monday 6th July.
