

GEOGRAPHY REMOTE WORKING 2020-21: TERM 4

If you are absent from school, for example because you are self-isolating, you should aim to complete the tasks below in each week in addition to the home learning activities posted on Class Charts.

YEAR 7

Week Commencing	Activities
8/3/21 [Th/Fr]	C/W: <u>What is the structure of the Earth?</u> Click on the link to learn about the structure of the Earth and how it has 4 layers, each with different characteristics. https://classroom.thenational.academy/lessons/what-is-the-structure-of-the-earth-c8v66c
15/3/21	C/W: <u>How do the Earth's plates move?</u> Click on the link to learn about how the Earth's plates move by convection currents, slab pull and ridge push. https://classroom.thenational.academy/lessons/what-evidence-is-there-that-the-earths-crust-moves-60r62e
22/3/21	C/W: <u>What are the different plate boundaries?</u> Click on the link to learn about the four different types of plate boundaries and the tectonic activity that occurs at each one. https://classroom.thenational.academy/lessons/what-are-the-different-plate-boundaries-c4tk0c
29/3/21	C/W: <u>What are composite and shield volcanoes?</u> Click on the link to learn about the features of a volcano and the difference between composite and shield volcanoes. https://classroom.thenational.academy/lessons/what-are-composite-and-shield-volcanoes-6xjk8c

YEAR 8

Week Commencing	Activities
8/3/21 [Th/Fr]	C/W: <u>What are the emerging countries?</u> Click on the link to learn about the BRICs and MINT emerging countries and their location in a global context. Complete the tasks in your book. https://classroom.thenational.academy/lessons/where-are-the-emerging-countries-cmtkcc
15/3/21	C/W: <u>What are the features of an emerging country?</u> Click on the link to learn about the physical and human features that affect the development of emerging countries. Complete the tasks in your book. https://classroom.thenational.academy/lessons/what-are-the-features-of-an-emerging-country-71hkgc

22/3/21	<p>C/W: <u>How has the employment structure changed over time in emerging countries?</u></p> <p>Click on the link to learn about the types of industry, the patterns of employment structure and how they change over time as a country develops. Complete the tasks in your book.</p> <p>https://classroom.thenational.academy/lessons/how-has-the-employment-structure-changed-over-time-in-emerging-countries-6xh6ce</p>
29/3/21	<p>C/W: <u>What are the factors that have led to China's growth?</u></p> <p>Click on the link to learn about the reasons why China has rapidly grown and evaluate the factors behind its growth. You can skip the starter quiz or apply your understanding of China from earlier on in this topic to complete the starter quiz. Complete the rest of the activities in your book.</p> <p>https://classroom.thenational.academy/lessons/what-is-the-structure-of-the-earth-c8v66c</p>

YEAR 9

Week Commencing	Activities
8/3/21 [W-Fr]	<p>C/W: <u>What is the structure of the Amazon Rainforest?</u></p> <p>Click on the link to learn about the structure of the Amazon rainforest and what we might find at each layer.</p> <p>What is the structure of the Amazon rainforest? (thenational.academy)</p>
15/3/21	<p>C/W: <u>Why is the nutrient cycle important in the rainforest?</u></p> <p>Click on the link to learn about the nutrient cycle and how it works and applying this understanding to the Amazon specifically.</p> <p>Why is the nutrient cycle important in the rainforest? (thenational.academy)</p>
22/3/21	<p>C/W: <u>How have plants and animals adapted to survive in the Amazon?</u></p> <p>Click on the link to learn how different plants and animals have adapted to survive in the Amazon rainforest. Adaptation enables animals and plants to survive the warm and wet climate, along with protection from predators.</p> <p>How have plants and animals adapted to survive in the Amazon? (thenational.academy)</p>
29/3/21	<p>C/W: <u>What are the causes of deforestation in the Amazon?</u></p> <p>Click on the link to learn about deforestation and how we are the cause of deforestation due to our different needs including building materials, food, water and minerals.</p> <p>What are the causes of deforestation in the Amazon? (thenational.academy)</p>
