Headteacher:
Rachel Cave BSc. NPQH

26th March 2021

Dear Parents and Carers

Schools are required to continue to contact tracing for the first six days of the Easter holidays. Please continue to alert Highdown of any students with C19 symptoms which present up to 48 hours after the end of term. This should be confirmed, or otherwise, by a PCR test. We will respond to emails from 2nd to 8th April. (eg if a student develops symptoms on Saturday 3rd April and has a test on Sunday 4th April notifying you of a true result pm Tuesday 6th April, please still email the school).

This should be done by email to office@highdown.reading.sch.uk with **Covid19 Notification** as the mail subject. Please be aware therefore, that Highdown may be in contact via email regarding isolation requirements. We are also remaining in contact with our staff for the same reason.

Please continue to use home testing kits. If a positive result is registered, please take a PCR test to confirm, or otherwise, the result of the test. Again, please let us know the result.

I wish you a relaxing break

Yours sincerely

Ms R E Cave
Headteacher
